

The following is an alphabetical listing of all currently active Fellows (as of January 2010):

PROF. DR. MICHAEL BACKES

Saarland University, Fellow of the MPI for Software Systems

PROF. DR. CLEMENS BECHINGER

University of Stuttgart,

Fellow of the MPI for Metals Research

PROF. DR. VOLKMAR BRAUN

University of Tübingen,

Fellow of the MPI for Developmental Biology

PROF. DR. MANFRED BROY

Technical University Munich, MPI for Software Systems

PROF. DR. JENS BRÜNING

University of Cologne,

Fellow of the MPI for the Biology of Aging

PROF. DR. WOLFGANG BUCKEL

University of Marburg,

Fellow of the MPI for Terrestrial Microbiology

PROF. DR. ANDREAS BURKERT

LMU Munich, MPI for Extraterrestrial Physics

PROF. DR. KLAUS FRÄDRICH

University of Hamburg, Fellow of the MPI for Meteorology

PROF. DR. KLAUS GERWERT

University Bochum / Partner Institute Shanghai,

Application of the MPI for Molecular Physiology

PROF. DR. EBERHARD K.U. GROSS

Free University Berlin, Fritz Haber Institute of the Max Planck Society (until 30.9.2009, since then Scientific Member of the Max Planck Society)

PROF. DR. DIETRICH HABS

LMU Munich, Fellow of the MPI for Quantum Optics

PROF. DR. HANS-JOCHEN HEINZE

University of Magdeburg,

Fellow of the MPI for Human Cognitive and Brain Sciences

PROF. DR. THOMAS LANGER

University of Cologne, MPI for Biology of Aging

PROF. DR. ROLAND LILL

University of Marburg,

Fellow of the MPI for Terrestrial Microbiology

PROF. DR. FRITZ MELCHERS

Basel Institute for Immunology, MPI for Infection Biology

PROF. DR. INGRID MERTIG

University of Halle-Wittenberg,

MPI for Microstructure Physics

PROF. MICHAEL MORGAN

City University of London,

Fellow of the MPI for Neurological Research

PROF. DR. FRANK NEESE

University of Bonn,

Fellow of the MPI for Bioinorganic Chemistry

PROF. DR. WALTER NEUPERT

LMU Munich, MPI of Biochemistry

PROF. DR. CHRISTOF NIEMEIER

Technische Universität Dortmund,

Fellow of the MPI for Molecular Physiology

PROF. DR. ULF RÜDIGER RAPP

University of Würzburg, Fellow of the MPI of Biochemistry

PROF. DR. EREZ RAZ

University of Münster, ZMBE,

Fellow of the MPI for Molecular Biomedicine

PROF. DR. RICHARD ROTTENBURG

University of Halle-Wittenberg,
MPI for Social Anthropology

PROF. DR. RAINER RUPPRECHT

LMU Munich, Fellow of the MPI of Psychiatry

PROF. DR. BETTINA SCHÖNE-SEIFERT

University of Münster,
Fellow of the MPI for Molecular Biomedicine

PROF. DR. PETRA SCHWILLE

University of Dresden,
Fellow of the MPI for Molecular Cell Biology and Genetics

PROF. DR. AVINOAM SHALEM

LMU Munich,
Fellow of the MPI for the History of Arts, Florence

PROF. DR. MICHELE SOLIMENA

University of Dresden,
Fellow of the MPI for Molecular Cell Biology and Genetics

PROF. DR. DETLEV STAMMER

University of Hamburg,
Fellow of the MPI for Meteorology

PROF. DR. ROBERT VAN VALIN

University of Düsseldorf,
Fellow of the MPI for Psycholinguistics

PROF. DR. GERT G. WAGNER

Technical University of Berlin,
Fellow of the MPI for Human Development

PROF. DR. LIUN WANG

Tsinghua University, China,
Fellow of the MPI for the Science of Light

PROF. DR. ELISABETH WACKER

Technische Universität Dortmund,
MPI for Foreign and International Social Law

PROF. DR. WOLFGANG WINTERMEYER

University Witten/Herdecke, MPI for Biophysical Chemistry

PROF. DR. ANNETTE ZIPPELIUS

University of Göttingen,
MPI for Dynamics and Self-Organization
