

## IMPRS Regional Distribution

IMPRS (Stand Juni 2011)	Sitzland
Advanced Photon Science	Bayern
Astrophysics	Bayern
Organismal Biology	Bayern
Competition and Innovation - Legal and Economic Determinants	Bayern
Molecular and Cellular Life Sciences: From Biology to Medicine	Bayern
Optics and Imaging	Bayern
Elementary Particle Physics	Bayern
Advanced Materials: From Microscopic Understanding to Functionality	Baden-Württemberg
Astronomy and Cosmic Physics	Baden-Württemberg
Molecular and Cellular Biology	Baden-Württemberg
Comparative Criminal Law	Baden-Württemberg
Successful Dispute Resolution in International Law	Baden-Württemberg
Quantum Dynamics in Physics, Chemistry and Biology	Baden-Württemberg
Molecules to Organisms	Baden-Württemberg
Retaliation, Mediation and Punishment (REMEP)	Baden-Württemberg
Graduate School of Neural and Behavioural Sciences	Baden-Württemberg
Precision Tests of Fundamental Symmetries	Baden-Württemberg
Computational Biology & Scientific Computing	Berlin
The Life Course: Evolutionary and Ontogenetic Dynamics (LIFE)	Berlin
Complex Surfaces in Material	Berlin
Infectious Diseases and Immunology	Berlin

## IMPRS Regional Distribution

Biomimetic Systems	Brandenburg
Geometric Analysis, Gravitation and String Theory	Brandenburg
Primary Metabolism and Plant Growth	Brandenburg
Marine Microbiology	Bremen
Earth System Modelling	Hamburg
Maritime Affairs	Hamburg
Ultrafast Imaging and Structural Dynamics	Hamburg
Comparative Legal History	Hessen
Environmental, Cellular and Molecular Microbiology	Hessen
Heart and Lung Research	Hessen
Neural Circuits	Hessen
Structure and Function of Biological Membranes	Hessen
Demography	Mecklenburg-Vorpommern
Physics of Biological and Complex Systems	Niedersachsen
Physical Processes in the Solar System and Beyond	Niedersachsen
Molecular Biology	Niedersachsen
Neurosciences	Niedersachsen
Gravitational Wave Astronomy	Niedersachsen
Aging	Nordrhein-Westfalen
Astronomy and Astrophysics	Nordrhein-Westfalen
Chemical Biology	Nordrhein-Westfalen
Molecular Basis of Plant Development and Environmental	Nordrhein-Westfalen
The Social and Political Constitution of the Economy	Nordrhein-Westfalen

## IMPRS Regional Distribution

Molecular Biomedicine	Nordrhein-Westfalen
Moduli Spaces and their Applications in Algebra, Differential Geometry and Mathematical Physics	Nordrhein-Westfalen
Surface and Interface Engineering in Advanced Materials	Nordrhein-Westfalen
Atmospheric Physics and Chemistry	Rheinland-Pfalz
Polymer Materials Science	Rheinland-Pfalz
Computer Science	Saarland
Molecular Cell Biology and Bioengineering	Sachsen
Neuroscience of Communication (NeuroCom)	Sachsen
Dynamical Processes in Atoms, Molecules and Solids	Sachsen
Human Origins	Sachsen
Mathematics in the Sciences	Sachsen
Analysis, Design and Optimisation in Chemical and Biochemical Process Engineering	Sachsen-Anhalt
Science and Technology of Nanostructures	Sachsen-Anhalt
Evolutionary Biology	Schleswig-Holstein
Adapting Behaviour to a Fundamentally Uncertain World	Thüringen
Global Biogeochemical Cycles	Thüringen
Exploration of Ecological Interactions with Molecular and Chemical Techniques	Thüringen
Language Sciences	Njimegen, NL
