Hello,

Thank you for your responsiveness to NGOsource's ED process. We are pleased to inform you that we have completed our analysis and were able to certify your organization as equivalent to a Certified Public Charity. An ED certificate for your organization is available in the NGOsource repository and immediately available to our member grantmakers for a small processing fee.

Max-Planck-Gesellschaft zur Förderung der Wissenschaften e.V. ("Max Planck Society for the Advancement of Science")'s Equivalency Determination certification is valid through 12/31/23.

We appreciate your time and hope this ED facilitates greater support for your organization. Please note that the ED certificate is not available for organizations at this time; therefore, please utilize this email as confirmation of your equivalency determination with NGOsource.
