

Notes for editors

The complete list of the Editorial Team is as follows:

Senior Editorial Team

Randy Schekman
HHMI Investigator, University of California, Berkeley
Editor-in-Chief

Fiona Watt
King's College London (from 2012)
Deputy Editor

Detlef Weigel
Max Planck Institute for Developmental Biology, Tübingen
Deputy Editor

Editorial Board

Ian Baldwin
Max Planck Institute for Chemical Ecology, Jena
Evolutionary biology

Catherine Dulac
HHMI Investigator, Harvard University
Cellular and molecular neuroscience

Joe Goldstein
University of Texas Southwestern Medical School
Medical genetics/medical physiology and metabolism

Tony Hunter
Salk Institute
Cell signalling and basic cancer biology

John Kuriyan
HHMI Investigator, University of California, Berkeley
Biochemistry, biophysics and structural biology

Rich Losick
Harvard University
Microbiology and pathogens

James Manley
Columbia University
Chromosomes and gene expression

Eve Marder
Brandeis University
Systems neuroscience

Michael Marletta
Scripps Clinic and Research Foundation
Chemical biology

Janet Rossant
University of Toronto
Developmental biology

Charles Sawyers
HHMI Investigator, Memorial Sloan Kettering Research Institute
Oncology and translational medicine

Tadatsugu Taniguchi
University of Tokyo
Immunology

K VijayRaghavan
National Center for Biological Sciences, Bangalore
Genetics and genomics

Xiaodong Wang
National Institute of Biological Sciences, Beijing
Cell biology/medical physiology and metabolism

Huda Zoghbi
HHMI Investigator, Baylor College of Medicine
Animal models of human disease and behavioural sciences
